Agreement Policy

Dear Mahatma,

Please take note, this year there is a slight change in the flow of the registration and hotel booking process for the upcoming 2016 Gurupurnima in Toronto, Canada.

The change has been implemented to ensure a smoother and more efficient flow between our mahatmas and the Hotel. This has been done in order to avoid past challenges such as duplication of hotel guest-room bookings as well as no guest-room availability concerns for our mahatmas.

In order to make this a successful event, we need your help in ensuring you follow the instructions as outlined below:

Step 1: Please register yourself as well as your family members living at the same residential address in the <https://usevents.dadabhagwan.org> website for the Toronto Gurupurnima event. (Please note: For every person who is not living with you, you will need to create a new separate registration with a different email address log in and password.)

Step 2: You will be directed to the Hotel Registration page. This will show you your room assignment. Please read the important information on this page before proceeding. Once you have reviewed and completed the form please click the Agree and Submit button. (Please note: You will STILL need to CONTACT the HOTEL DIRECTLY to make your Room Reservation Bookings)

Step 3: Once your registration is verified and complete, you will receive an email with a unique Gurupurnima Registration Confirmation number - The number will start with GP 2016. This is an important email. Please keep it safe and handy. (Please note each individual registered to attend the GP event will have a unique Event Confirmation number.)

STEP 5: Please tick the check-box next to each family member who will be attending the Gurupurnima Event.
