Agreement Policy

Dear Mahatma,

Please take note, this year there is a slight change in the flow of the registration and hotel booking process for the upcoming 2016 Gurupurnima in Toronto, Canada.

The change has been implemented to ensure a smoother and more efficient flow between our mahatmas and the Hotel. This has been done in order to avoid past challenges such as duplication of hotel guest-room bookings as well as no guest-room availability concerns for our mahatmas.

In order to make this a successful event, we need your help in ensuring you follow the instructions as outlined below:

Step 1: Please register yourself as well as your family members living at the same residential address in the <https://usevents.dadabhagwan.org> website for the Toronto Gurupurnima event. (Please note: For every person who is not living with you, you will need to create a new separate registration with a different email address log in and password.)

Step 2: You will be directed to the Hotel Registration page. This will show you your room assignment. Please read the important information on this page before proceeding. Once you have reviewed and completed the form please click the Agree and Submit button. (Please note: You will STILL need to CONTACT the HOTEL DIRECTLY to make your Room Reservation Bookings)

Step 3: Once your registration is verified and complete, you will receive an email with a unique Gurupurnima Registration Confirmation number - The number will start with GP 2016. This is an important email. Please keep it safe and handy. (Please note each individual registered to attend the GP event will have a unique Event Confirmation number.)

Dear Mahatmas,
In an effort to optimize the Hotel Rooms this year, there has been a slight change in the Hotel Room Reservation Policy. We humbly request for your kind co-operation in this matter. In case the Hotel policy assigned does not work for you, please let us know and we will try and make our best efforts to accommodate your valid concerns.

1. You will need to CONTACT the HOTEL DIRECTLY to make your Room Reservation Bookings.
2. Without a GP event REGISTRATION CONFIRMATION NUMBER the Hotel will NOT BOOK any rooms.
3. If there is only 1 registered mahatma for the GP event – the Hotel will NOT allow for a Double Bed room occupancy.
4. If there are only 2 registered mahatmas – the Hotel will provide a Single Bed room occupancy by default. Should you need Double Bed room, please specify your request in the box by clicking the Special Requests radio button under Other Preferences.
5. If there are 4 registered mahatmas – then the Hotel will provide either One Double Bed room occupancy or Two Single Bed room occupancy.
6. To change from a Single Bed Room to a Double Bed Room, a minimum of 3 mahatmas need to be registered as attending the GP event.
7. If you add or delete members after verifying and submitting the below Hotel Registration form, it is your responsibility to call the Hotel and CHANGE or CANCEL your room to suit your needs.
8. Sharing of a room IS the RESPONSIBILITY of the individual mahatma.
9. If you are sharing your room – you will need to enter the GP event REGISTRATION CONFIRMATION NUMBER of the mahatmas you are room sharing with in order to book a room at the Hotel
10. The System has been designed to AUTOMATICALLY CANCEL all Duplicate Family registrations and Duplicate Room bookings.
11. For any question or issue - Please contact: gp@ca.dadabhagwan.org or Phone: 1-877-505-3232, Extn. 10
12. **Disclaimer:** Your information like: First Name, Last Name, Phone Number, Registration Confirmation Number, Type of Room and Other Preferences information will be shared with Hotel.
